- For the time being, a total of 5 intentions will be accepted comprised of 2 Sunday Masses and 3 weekday Masses. As in the past, no intentions are accepted for Easter and Christmas Masses. Our current Mass schedule will remain in place - one Mass at 8am Monday through Saturday and Masses at 5pm Saturday and 7:30am, 10am and 12 noon on Sunday.
- The following information should be included on your “list”: your name, address, phone number and email address if applicable. Your actual list of intentions must include the person’s name - neatly printed please - and indicate if living or deceased.
- The cost of an announced Mass is \$20 per intention.
- When a list is received at the rectory office it will be stamped with the date and time received to allow for “first come first served fairness.” You will be notified in writing of the intentions that were arranged based on your list. If a date and/or time was not available, the closest to your request will be entered in the Mass Book. Due to the volume of requests we have received in the past for the opening of the Mass Book, we cannot work with you over the phone at this time.
